# Steve Richberg

## Booster Club President

Steve Richberg has served as the Booster Club President since 2022. He has been in the program for several years with one son who played football graduating in 2023. Steve's leadership in the Booster Club has lead the club to develop systems and processes while providing great opportunities for parents to get involved and support their student athletes.

# About US

## Mission

The Blue Springs South High School Football Booster Club is a registered (501 c3) non-profit organization composed of parents, coaches, alumni, sponsors, and other community members who have an interest in supporting the BSSHS football program.

---

We achieve our mission in several ways; fund-raise to support the football program, promote school spirit throughout the high school, community, and support our coaches and our student-athletes to achieve excellence in academics, athletics, civics, and sportsmanship.

## Fundraising

Fundraising is a vital part of our mission in order to help purchase equipment, uniforms, meals, transportation, capital improvements, and other items not covered by BSSHS funds. These funds will further the football program and enhance the safety and competitiveness of our student-athletes.
